

At Guardian Care we are committed to providing person centred care to all our residents, ensuring we deliver the highest possible standards throughout all our services. We constantly review and monitor the quality of care provided recognising the on going initiatives from the Social Care Sector.

Our Operations team are experienced clinicians who have vast knowledge of the care sector. Within this team we have a Quality/Training Manager who regularly audits our homes to ensure standards are maintained and focus on any areas of improvement. Our chefs ensure that the food is of the best quality along with our housekeeping staff who ensure the highest standard of the homes environment.

Listed below is a sample of some our Quality Initiatives:

-  Person Centred Care
-  A team audit approach
-  Activities which are specific to a person's needs
-  A comprehensive complaints procedure, displayed in all our homes
-  Six monthly customer satisfaction survey, issued to residents and relatives
-  An in depth staff training programme including NVQ's and SVQ's
-  A menu based on nutritional advice and incorporating the MUST tool
-  Individual person centred assessment and care plans

Our Home

Originally built in 1813 this beautiful farm house is set in a village location and surrounded by pleasant grounds. It also has a secure patio area to ensure the safety of our residents. We are close to the village and situated on the bus route to Lincoln.

The Grove specialises in residential, dementia and care for people with a physical disability of all age groups. We aim to provide a home-from-home environment for our residents and their relatives.

We pride ourselves on providing a relaxing, therapeutic atmosphere required to maintain and develop the personal skills of our residents.

About The Grove

Here at The Grove, our staff are trained to deliver a personal centred care approach to our residents, tailored to each individual's needs.

We offer services such as chiropody and hairdressing with a visiting optician and dentist. The district nurses visit our home on a regular basis and our local GP will visit on request.

We aim to promote independence, individuality and maintain dignity in a safe and secure environment, whilst fulfilling resident's needs in all aspects of their daily living.

Overall, we aim to provide an atmosphere that is warm, welcoming and relaxing for all residents and their families.

Our Food

Here at Guardian Care Homes we choose reputable suppliers who, where possible, try to source products locally.

We have fresh fruit, vegetables and meat delivered three times a week and fresh milk is delivered as many times as each home requires.

We consult with our residents and their families before we put menus into place.

Our meals are carefully planned offering choice matched with individual taste and all special diets are catered for. In addition snacks with hot drinks and juice are available throughout the day.

Our Activities

We have a full program of activities that is adapted to suit individual needs. As well as many in-house daily activities, we also have outings into the local community, visiting singers, film shows and day trips.

Our Accommodation

The Grove has 27 spacious bedrooms 14 of which are en-suite. Many of our rooms have garden views and each resident is encouraged to personalize their room and make it their own private space.

Our aim is to provide all our residents with a secure, relaxed, friendly and homely environment, in which they can start a new chapter in their lives.
